

# Automotive Event Services

WeDriveU specializes in end-to-end transportation management for the world's top automotive brands. Our capabilities include:

- Planning, implementation and logistics
- Experienced onsite transportation managers
- Local VIP drivers, brand ambassadors and meet/greet teams
- Real-time fleet tracking
- Robust communications infrastructure

## PRESS LAUNCHES

Need seamless transportation logistics management for media events? Our team offers unmatched experience and onsite flexibility.

## EXPERIENTIAL MARKETING PROGRAMS

Are you looking to accelerate brand activations through immersive experiences? We've helped the world's leading automakers and agencies reach millions of potential buyers.

## AUTO SHOWS

Whether your next show is in New York, LA or Detroit, we'll handle transportation logistics.

Planning an automotive event and need experienced managers and drivers? Leave the logistics to WeDriveU's Automotive Event Services team. For case studies and tips, visit:
